

Climate Change Adaptation and the Business Sector

Climate Change in the Boardroom

Climate legal risk

Mark Baker-Jones, Special Counsel, DLA Piper

23 April 2013

Climate legal risk

- Corporations need to:
 - **identify** their **climate legal risk**
 - ensure that **climate legal risk** forms part of the **risk management process**
 - ensure the **climate legal risk management process** is part of the corporation's overall **risk-management strategy**

Climate Change in the Boardroom

Climate legal risk

- There are incentives to adapt
 - reputational risk
 - effective risk management
- Awareness in Asia and Pacific
- Policy and legislative change
- Failure to consider adaptation
 - litigation risk
 - regulatory risk

Climate legal risk

- Corporations need to:
 - **identify** their **climate legal risk**
 - ensure that **climate legal risk** forms part of the **risk management process**
 - ensure the **climate legal risk management process** is part of the corporation's overall **risk-management strategy**
