

## NGO Theme Peer Learning Event for Climate Change Adaptation

### AGENDA

- 9.30am**      **Tea and Coffee on arrival**
- 10.00am**     **Welcome and introductions**
- 10.15am**     **Interactive sharing of experiences in responding to climate change**  
*What works? What doesn't work? What would you like to try?*
- 11.15am**     **Latest research findings and case studies**  
*What does the latest research say about NGO strategies for climate change adaptation? Are there differences in communicating mitigation and adaptation? What approaches have international organisations undertaken?*
- 12.00pm**     **Informal networking over lunch**
- 12.45pm**     **Knowledge needs for NGOs engaged in climate change adaptation**  
*What type of knowledge would you find useful in addressing climate change adaptation? What are the knowledge priorities?*
- 1.00pm**      **The SEI Adaptation Network**  
*What is the SEI network, how can I engage and what other NCCARF networks might be useful?*
- 1.15pm**     **Thanks and close**
