People, communities, business and government leading the way in climate change adaptation

Nominate a champion!

We are seeking active practitioners who are changing behavior, techniques, businesses and policies to adapt to an altered future.

Climate Adaptation Champions could be:

- Excellent communicators or educators, actively communicating the knowledge needed for climate adaptation
- People, groups and governments actively involved in making decisions that take climate change impacts into account
- Leaders in their field, helping others to adapt
- Inventors, designers and businesses leading the way with creative ways to adapt

Nominations close 4 March 2016

2014 CHAMPIONS: Mark Baker-Jones • Yalumba Wine Company • Resilient South Project
  • Victorian Adaptation and Sustainability Partnership
